<p>Vel Henvisning í Visningsvariant</p> <p>Markera áheitanina (ávísingina), sum skal enda</p> <p>og trýst á knøttin Afslut niðast í høgra horni</p>	
<p>Vel orsök í kassanum, sum kemur á skíggjan</p>	
<p>Áheitanin er nú enda og kann leitast fram við at trýsta á pílín við Afsluttede henvisninger.</p>	

Um trvur er  at lata uppafur eina heitan

Opna **Afsluttede henvisninger** vi plinum

Vel heitanina, sum skal latast upp

Tryst  **Genbn** knttin, sum er niast í hgra horni.

The screenshot shows a software window titled "Behandlingsoversigt: 061041-0E72 * Testler Testrup". The interface is in Danish and displays a list of referrals on the left and a detailed view of a selected referral on the right. The selected referral is for a patient named "Ultau vising - Terapi heimabgvandi". The "Genbn" button is located in the bottom right corner of the window and is highlighted with a red box.
